

**JOSEPH VILLA, THIRUVADISOOLAM
CHENGALPATTU - 5TH AUGUST 2021**

THE LORD WILL FULFIL HIS PURPOSE FOR US

These words of the Psalmist tell us that God has a purpose for our lives, and He will accomplish it. It was God's Holy will that on 5th August 2021, on the feast of the Saint Mary Major, the Erection of the new Community has to place at Thiruvadisoolum, and He willed that the presence of the three Sisters and their stay willbe the dawn of the new community which is to come. "Nothing is impossible to a willing heart", says, John Heywood. With the same belief, our Provincial Superior Sr. Theresa Cherian and her Council placing all their trust in God Almighty brought to reality the dream of the Province and launched the new mission which was their vision. Thus, proving nothing is impossible for God.

The Sisters of Melamaiyur communities along with the neighbouring communities

gathered for the blessing of the newly renovated house “**JOSEPH VILLA**”. The chief guest and the special invites felt that the serene and peaceful atmosphere surrounded by varieties of trees and plants with its cool and fresh air impressed and welcomed them

for this blessing ceremony. Sr. Nirmala Antony extended a warm welcome to the gathering, Sr. Premila with her lively choir, Sr. Stella Mary and the Sisters of the Provincialate Community led the gathering in prayer. Through the symbolic lighting of the lamp by Rev. Fr. Micheal, the Parish priest of the St. Joseph Cathedral, the Vicar Forane of the Diocese of Chengalpattu followed by Rev. Fr. Yesu Marian, the advocate from the order of Jesuit and, Sr. Thresa Cherian our Provincial superior, Sr. Ursula the Vicar Provincial, Sr. Nirmala Joris the Provincial councillor and Sr. Jebamalai one of the pioneers, the presence of Christ was felt. After that the Decree of the Erection of the new Community was read by Rev. Sr. Theresa Cherian and it was handed over to the three pioneers namely Sr. Jebamalai Chenchetty, Sr. Sagaya Princy and Sr. Bendikta Bilung. After which Rev. Fr. Michel blessed the house and implored the blessings of God on all of us along with Rev. Fr. Timothy OFM. Cap, the Parish priest of Infant Jesus Church, Vallam.

On 16th July 2022 the day has dawn brightly to fulfil the purpose of the day radically. As the Provincial Sr. Nambikai Kithari and her Councillors have decided to take a step forward for the betterment of this place by beginning a small dispensary to reach out to the poor & to cater the sick & the suffering people in this area. This campus was overwhelmed with joy by the presence of dear Fr. Philomen who blessed the dispensary and implored God's mercy for the flourishing. Sr. Mini, who will be carrying out this mission of healing ministry; was overjoyed for beginning her mission in this new place. She says always not for money sake but for the glory of GOD and reach out to the poor. Saturday was the day of Our lady of Mount Carmel. Our dear mother Mary is always at our disposal, pleading her Son for our need. We place our trust in her and carry on in our journey, believing that we may hear her saying Son, they have no wine. May the new mission that is started grow at the serve of Humanity and for the greater glory of God.
